

WE CARE FOOD DRIVE

Canned food and other essentials will be collected at Damage Prevention Committee meetings and various locations throughout Eastern Virginia during April – August. The donations will support the Foodbank of Southeastern Virginia and the Eastern Shore which provides nutritious meals to thousands of local individuals annually. For more information about the Foodbank, visit www.foodbankonline.org.

For a canned food collection box for your office, a list of additional drop-off locations, or to make arrangements for food pick-up, please contact Michelle at MHorton@ditchwitchva.com
